Sir,

SUBJECT - Creation of the Post of a Lady Superintendent in grade 200-10-300-20-500, for Supervision of Corporation Maternity Homes

---

In enclosing herewith the copies of the Resolutions of the Standing Committees, (Health), and (Taxation and Finance) and the Corporation passed at their meetings held on 3rd July 1952, 17th July 1952 and 29th October 1952 respectively, I write to state as follows -

There are 8 Maternity Homes, seven Child Welfare Centres and 5 Milk Centres at present in the Corporation area and all these are now being supervised by the Health Officer There are some more schemes for expanding the above activities and it is found by experience that it is not possible for the Health Officer to have a close supervision and proper check over the work of the Maternity Homes and Maternity and Child Welfare Centres-including Milk Centres. Hence he suggested that a post of Lady Superintendent be created in the grade of Rs 200-10-300-20-500 plus M C Allowance of P 75/- on the same scale of pay as that of Assistant Health Officers, so that she may do the work of Supervision and attend to clinics, and the existing post of a Lady Doctor in grade Rs 150-10-250 abolished But the Corporation have resolved for the creation of a separate post of a Lady Superintendent in the grade of 200-10-300-20-500 plus Motor Car allowance of Rs 75/- per month in addition to the existing post of a Lady Doctor

P T O

I therefore request you to kindly obtain sanction of Government for the creation of a post of a Lady-Superintendent in grade 200-10-300-20-500 plus a Conveyance allowance of Rs.75/- per month as resolved by the Corporation

Forwarded with compliments
